About: Self Help Addiction Rehabilitation, Inc seeking full-time Monitors for our residential Substance Use Disorder (SUD) programs.
\$1,500 Signing Bonus (Paid out 50% @ 90 & 180 days)

Responsible for the safety and security of the clients and facility, including at times when there is little to no other staff on duty (i.e., days, nights, weekends and holidays). Must submit to State of Michigan LEIN clearance.

Qualifications: High school diploma or equivalent and one year one (1) year experience in a chemical dependency treatment program; if recovering, must have at least one (1) year of consistent & verifiable sobriety immediately prior to application.

This position can be full time, or part time. Qualified candidates will possess strong verbal and written communication skills, proficiency with computer (MS Word, Adobe PDF, Email) and the ability to engage and motivate, re-assure and de-escalate clients in the early stages of change. Regular house counts & facility checks. All staff and clients are still required to mask up; self health assessments & Temp checks are conducted at the point of entry.

Apply: Interested applications must send resumes to:
